Holiday Greetings!!!

The Dunn Housing Authority will be giving our residents a spiral ham for Christmas this year. The hams will be available at the Administrative Office on Thursday December 15, 2022. They will be ready for pickup at the office after 1:00 pm. Please if you do not have transportation contact Pat or Marsha so we can get it delivered to you. We appreciate you for being our resident and we would like to wish each and everyone of you a safe and happy holiday season. The Administrative Office will be closed on December 26th, 27th and 28th for observance of the Holidays.

Holiday Fire Prevention Tips

Being aware of fire safety tips can have a big impact in helping to keep your home safe while you are decorating during the holidays.

Even with all those Christmas tree fires, cooking equipment is the leading cause of home fires and injuries. According to the NFPA, many fires occur on Thanksgiving and Christmas Day. Here are some holiday fire safety tips:

Avoid using candles if possible. Consider using battery-operated ones.

When cooking pay close attention to what you're doing and your surroundings.

Educate yourself on kitchen safety.

Dunn Police Department Coat Drive

The Dunn Police Department had a coat drive in November and they have coats available if you are in need. Please contact Kennise Jones at 984-249-7149. She will assist you with what you need.

Little Things

Empty trash cans sitting by the curb are such an eye sore. Please pull to the back of your unit after they are emptied.

Please call 910-892-2948 to verify when household items will be picked up before you place them at the curb.

The weather is colder now. To save from having an excess gas charge set thermostat on 70 to 72 degrees and it will help keep the cost down. Also, keeping your return vent dusted and not blocked by furniture will help to keep cost down.

If you suspect that you may have bedbugs please notify the office immediately. So that they can be treated. They spread quickly and need to be reported.

If your vehicle is in need of repair and you have fluids running out of it please put a piece of cardboard under it until it can be moved or repaired we have some really bad looking areas on some of the parking lots.

Please pick up trash in your yards. It may not be your trash but it is your yard and you are responsible for keeping it clean. Trash charge is 25.00.

Parking on grass or sidewalks is a charge of 45.00.

2023 Inspections

Beginning in 2023 will be having unit inspections quarterly. They will begin in February. Notifications will be sent out giving you advance notice of the dates.
